

Project Design Phase-II
Data Flow Diagram & User Stories

Date	10 February 2026
Team ID	LTVIP2026TMIDS35897
Project Name	BookNest : where stories nestle
Maximum Marks	4 Marks

Data Flow Diagrams:

A Data Flow Diagram (DFD) is a traditional visual representation of the information flows within a system. A neat and clear DFD can depict the right amount of the system requirement graphically. It shows how data enters and leaves the system, what changes the information, and where data is stored.

Example: DFD Level 0 for BookNest

DFD for BookNest – Where Stories Nestle

Use Stories

User Type	Functional Requirement (Epic)	User Story Number	User Story / Task	Acceptance Criteria	Priority	Release
User	Registration	BN-US-1	As a user, I can register and log in via email/ password or Google sign	I can successfully register and access the system.	High 🟡	Sprint-1
